- An 88 year old woman, who is unable to drive and cannot afford public transportation, is in need of transportation from her home off of Society Drive (B'nai B'rith House) in Claymont (19703) to visit and care for a friend who lives in the Kutz Home in Wilmington off of River Road (19809). She usually leaves her house at 10:30 and returns home around 12:30. She goes to this individual's home every day, but would be very happy if someone could get her there a couple times a week. *(posted 6/14)*
- A Newark woman (19713) requests assistance with a broken washing machine. She has purchased a new belt, but cannot replace it herself. She is temporarily unemployed due to health issues and is unable to afford someone to come and fix it. *(posted 6/14)*
- A forty-nine (49) year old woman is in need of someone to do housekeeping and errands on a bi-weekly basis. She has suffered a back injury and has very limited mobility. She lives in Wilmington, 19809.
- A sixty-one (61) year old man is in need of assistance with housekeeping and errands on a bi-weekly basis. He has recently had one of his legs amputated and is not able to do anything. He lives in Wilmington, 19805.
- A seventy-seven (77) year old woman needs someone to take her grocery shopping on a weekly basis. She lives in Luther Towers in Wilmington.
- An eighty-nine (89) year old woman requests someone to take her shopping, both grocery and drug stores. She would also like someone to do her weeding in her garden. She lives in Wilmington off of Marsh Road.
- A sixty-six (66) year old physically handicapped woman is looking for a woman to do her food shopping. She lives in Arden, 19810.

## MISSION

Our mission is to mobilize the Church to transform lives and communities In the Name of Christ.

Love In the Name of Christ (Love INC) networks local churches, church volunteers, and community organizations together to help people in need. Through Love INC, churches and individual Christians are mobilized to work together, across denominational lines, to provide coordinated help to the poor with basic needs such as food and clothing, to longer-term responses such as life skills training and transitional housing programs. As each individual church does what it can, even the most complex needs can be met collectively.

Love INC is one of the most effective networking, outreach and mobilization tools available to churches today.

Love INC connects people in need with resources that can help.

Love INC helps churches mobilize their members to reach out to the poor and needy in their community, creating many more specific, manageable opportunities to serve.

Love INC identifies unmet needs in the community and helps churches build ministries to fill the gaps in services.

Love INC helps churches address deeper issues fueling the crises of people in chronic need by providing them with opportunities for life change through relationships with caring Christians.

Love INC helps churches address the deeper issues that contribute to poverty and hopelessness in their community.
